We will once again be hosting the Spring Fever PJ party! The date is tentatively set for March 30th!

Cold Weather & Lost and Found

It can be cold in the studios, so we would highly suggest that students start to wear warm ups to class and when they are warm from moving around, they can take them off. Warm ups include any Stella apparel, yoga pants, zip ups or ballet sweaters. Please no baggy sweatpants or sweatshirts and don't forget about the dress code!! Make sure your dancer is checking the lost and found weekly for missing items.

Cold and Flu Season

If you are wondering if you should send your dancer(s) to class, please use your best judgment and keep them home if they aren't feeling well. This helps keep everyone healthy! Just email stelladancestaff@gmail.com or call the studio if your child will be absent on the night they have class.

Shoes, Costumes and Survival Guides

A survival guide will be out in mid to late January. This guide will help you with any questions you have about your dancers costume(s), shoes, tights, hair and anything else you may need to know! Our staff is always happy to assist with any questions you may have as well!

If you need to purchase shoes, you still can! However, we will only be ordering every few weeks if we have a big enough order. Pictures are in March (3/26 and 3/27) so please make sure your dancer has the correct shoes and tights!

Costumes are arriving every day! When your dancer comes home with their costume(s) please make sure they are not wearing it until pictures and that you hang it nicely!

Studio Reminders

Please make sure that your dancer has their hair up and off of their face. We have binders for sale at the front desk for 25 cents each. Instructors will send your dancer to the front desk to get a binder, if your dancer does not have their hair up and off their face. Thank you in advance for your understanding!

Please review the ballet dress code-pink tights, black leotard, hair in a bun. They may wear a ballet sweater or skirt to warm up in.
