Being on a competition line is fun, exciting, and a lot of hard work. Please take your extracurricular activities into consideration when you make the decision to audition and if you choose to ask for a specialty. Stella Dance Studio supports the academic life of each student and knows it is every dancer's goal to be a well-rounded individual, but this cannot happen if our dancers overcommit themselves and become involved in too many activities. Dance is a fun and rewarding sport and we want to do our best to keep it this way!

We are offering Hip Hop again for all of our competition lines. This is an optional specialty, so please let us know on your audition form if you are interested in participating. Last year's attendance will be taken into consideration when we create our competition Hip Hop lines.

Competition lines will compete in 3 mandatory regional competitions and 1 national competition next year. There are fees per competition for each dance, costume fees, and they all need to have the same shoes. Other costs and commitments will be outlined when they make the line. If you have any specific questions, regarding the audition process or the competition line for next year, please contact Jacqui at Jacqui@stelladancestudio.com.
